## The Halachic Medical Directive

# DURABLE POWER OF ATTORNEY/DECLARATION WITH RESPECT TO HEALTH CARE DECISIONS AND POST-MORTEM DECISIONS

#### FOR USE IN CALIFORNIA

The "Halachic Medical Directive" is designed to help ensure that all medical and post-death decisions made by others on your behalf will be made in accordance with Jewish law and custom (*halacha*). The text of this Halachic Medical Directive has been approved by attorneys for use in your state as of November 2003. While we do not expect that any future change in federal or state laws would materially affect the validity of this document, you may wish to show it to your own attorney to confirm its effectiveness in subsequent years.

#### **INSTRUCTIONS**

(a) In Part 1, Section 1.1, print the name, address, and telephone numbers of the person you wish to designate as your agent to make medical decisions on your behalf if, G-d forbid, you ever become incapable of making them on your own. Be sure to include all numbers (including cell phone and pager) where your agent can be reached in the event of an emergency. If the contact information for your agent changes, you should provide that updated information to everyone whom you have provided with a copy of your Halachic Medical Directive.

You may also insert the name, address, and telephone numbers of one or two alternate agent(s) to make such decisions if your primary agent is unable, unwilling, or unavailable to make such decisions.

It is recommended that before appointing anyone to serve as your agent or alternate agent you should ascertain that person's willingness to serve in such capacity. In addition, if you have made arrangements with a burial society (Chevra Kadisha), you may wish to advise your agents of such arrangements.

**Note**: The supervising health care provider or an employee of the health care institution where you are receiving care, and the operator or an employee of a community care facility or residential care facility where you are receiving care, may not serve as a health care agent unless the person is related to you by blood, marriage, or adoption, or is your coworker.

- (b) Your agent's authority becomes effective when your primary physician determines that you are unable to make your own health care decisions, unless you mark the box in Section 1.3. If you mark the box in Section 1.3, your agent's authority will take effect immediately upon the execution of the Halachic Medical Directive.
- (c) In Part 2, please print the name, address, and telephone numbers of the Orthodox Rabbi whose guidance you want your agent to follow should any questions arise as to the requirements of *halacha*.

You should then print the name, address, and telephone numbers of the Orthodox Jewish institution or organization you want your agent to contact for a referral to another Orthodox Rabbi if the Rabbi you have identified is unable, unwilling or unavailable to provide the appropriate consultation and guidance.

You are, of course, free to insert the name of any Orthodox Rabbi or institution/organization you would like, but before doing so it is advisable to discuss the matter with the Rabbi or institution/organization to ascertain their competency and willingness to serve in such capacity. You may list Agudath Israel of America as the organization you select; however, we are only available to be contacted on regular business hours and days.

- (d) In Part 3, at the conclusion of the form, print the date, sign your name, and print your address.
- (e) The form must be signed by two witnesses. The two witnesses should sign their names and insert their addresses beneath your signature. The witnesses should be age 18 or over and should be present when you sign or acknowledge your signature on the form. Neither of them should be the person you have appointed as your health care agent (or alternate agent), your health-care provider, an employee of your health-care provider, or the operator or employee of a residential care facility for the elderly. At least one of the witnesses must be a person who is NEITHER related to you by blood, marriage, or adoption, NOR entitled to any portion of your estate upon your death under a will now existing or by operation of law. Additionally, each witness must make a declaration as written in the form, stating that they comply with the requirements. The witness declarations are found in Sections 3.3 and 3.4. Please note that if you are a patient in a skilled nursing facility, a patient advocate or ombudsman designated by the State Department of Aging must also sign the form and must declare that he or she is serving as a witness as required by law. This additional witness requirement is found in Part 4.
- (f) It is recommended that you keep the original of this form among your valuable papers in a location that is readily accessible in the event of an emergency, and that you **distribute copies to the health care agent** (and alternate agent) you have designated in Part 1, to the Rabbi and institution/organization you have designated in Part 2, as well as to your doctor, your lawyer, and anyone else who is likely to be contacted in times of emergency.
- (g) We also recommend that you register a copy of this form with a national registry, so that it can be accessed by any health care facility via computer. This can be done for a fee by contacting the U.S. Living Will Registry at <a href="http://www.uslivingwillregistry.com/">http://www.uslivingwillregistry.com/</a> or by calling 1-800-548-9455.
- (h) If at any time you wish to revoke the designation of an agent, you may do so only by a signed writing or by personally informing your supervising health-care provider. You may revoke all or part of this Halachic Medical Directive, other than the designation of an agent, at any time and in any manner that communicates an intent to revoke. If you do revoke it, to avoid possible confusion, it would be wise to try to obtain all originals and copies of the old Halachic Medical Directive and destroy them.

If you do not revoke this Halachic Medical Directive, it will remain in effect indefinitely. Obviously, if any of the persons whose names you have inserted in this form dies or becomes otherwise incapable of serving in the role you have assigned, it would be wise to execute a new form.

- (i) It is recommended that you also complete and cut out the **Emergency Instructions Card** contained on the last page of this Halachic Medical Directive, and carry it with you in your wallet or purse.
- (i) If, upon consultation with your Rabbi, you would like to add to this Halachic Medical Directive any additional expression of your wishes with respect to medical and/or post-mortem decisions, you may do so by attaching a rider to the standardized form. If you choose to do so, or if you have any other questions concerning this form, please consult an attorney.

These instructions are not part of the Halachic Medical Directive and need not be kept attached to the executed document.

- (1.4) AGENT'S OBLIGATION: My agent shall make health care decisions for me in accordance with this power of attorney for health care, any instructions I give in Part 2 of this form, and my other wishes to the extent known to my agent. To the extent my wishes are unknown, my agent shall make health care decisions for me in accordance with what my agent determines to be in my best interest. In determining my best interest, my agent shall consider my personal values to the extent known to my agent.
- (1.5) AGENT'S POST-DEATH AUTHORITY: It is also my desire, and I hereby direct, that after my death, all decisions concerning the handling and disposition of my body be made pursuant to Jewish law and custom as determined in accordance with strict Orthodox interpretation and tradition. For example, Jewish law generally requires expeditious burial and imposes special requirements with regard to the preparation of the body for burial. It is my wish that Jewish law and custom be followed with respect to these matters. I hereby willfully and voluntarily make known my desire that, in the event of my death, the disposition of my remains shall be controlled by my agent designated in section 1.1 above. In the event my agent is unable, unwilling or unavailable to act, I hereby appoint the alternate agent designated in section 1.1 above to control the disposition of my remains.

I direct that any health care provider in attendance at my death notify the agent and/or Orthodox Rabbi described above immediately upon my death, in addition to any other person whose consent by law must be solicited and obtained, prior to the use of any part of my body as an anatomical gift, so that appropriate decisions and arrangements can be made in accordance with my wishes. Pending such notification, and unless there is specific authorization by the Orthodox Rabbi consulted in accordance with the procedures outlined in Section 2.2 of Part 2, it is my desire, and I hereby direct, that no post-mortem procedure be performed on my body.

(1.6) NOMINATION OF CONSERVATOR: If a conservator of my person needs to be appointed for me by a court, I nominate the agent designated in this form. If that agent is not willing, able, or reasonably available to act as conservator, I nominate the alternate agents whom I have named, in the order designated.

- (2.1) JEWISH LAW TO GOVERN HEALTH CARE DECISIONS: I am Jewish. It is my desire, and I hereby direct, that all health care decisions made for me (whether made by my agent, a guardian appointed for me, or any other person) be made pursuant to Jewish law and custom as determined in accordance with strict Orthodox interpretation and tradition. Without limiting in any way the generality of the foregoing, it is my wish that Jewish law and custom should dictate the course of my health care with respect to such matters as the performance of cardio-pulmonary resuscitation if I suffer cardiac or respiratory arrest; the performance of life-sustaining surgical procedures and the initiation or maintenance of any particular course of life-sustaining medical treatment or other form of life-support maintenance, including the provision of nutrition and hydration; and the criteria by which death shall be determined, including the method by which such criteria shall be medically ascertained or confirmed.

- (2.6) DURATION AND REVOCATION: It is my understanding and intention that unless I revoke this proxy and directive, it will remain in effect indefinitely.
